Product URL <https://shop.wifireremote.com/10m-tp-2c-temperature-probe>

Short Description: Temperature Sensor with 10 Meter (32'9") Cable

Full Description: The 10M-TP-2C Temperature Sensor has a longer, narrower cable than the 1M-TP temperature sensor that is included with the WF-Classic. This Temperature Sensor's cable is ideal for placing the sensor itself in a location away from the fireplace, hiding the narrow cable under carpet or in grout lines..

Price: 54.99 USD

SKU: 10M-TP-2C
